

David & Megan Saville

I, (David), joined Kleeneze in October 2003 just after I had given up my own carpentry business, to have the time to stay at home as a part-time Carer for my Mother.

The Kleeneze Business was ideal for this, as it was flexible enough for me to be able to be there for my Mother and give me a part-time income to top up the Carers' allowance.

After my mother sadly passed away early in 2005, my sister, Megan, joined me in the business and we started to show others how they too could earn an extra income.

Our short term aim now is to build the team so that our income from Kleeneze will allow Megan to give up her full-time job as a Quantity Surveyor and to have the freedom that this business allows.

As you can see from the attached cheques our income has doubled, which would not happen in a conventional business or job.

Take just 15 minutes to find out more about the Kleeneze Opportunity, and you could start to enjoy financial stability.
