

# John Greenwood

I arrived back in England from New Zealand in July 2001 and I was looking forward to enjoying my retirement.

I soon discovered that this was not to be, as my pension of £74 per week was not enough to live off and meant that my savings were being used up fast.

I decided I needed to find something to supplement my pension and fortunately I was introduced to Kleeneze.

I now earn over £800 per month on a part time basis. I work from home with no fixed hours or pressure on my time. Since I joined the business, I have made lots of new friends of all ages.

This opportunity is suitable for anyone from pensioners to students, housewives to businessmen.
