

Nigel & Jean Gillson

Teacher Nigel, NHS Lab Biomedical Scientist Manager Jean
with 5yr old twins Ben & Josh

We nearly joined Kleeneze in 2006, however, like most people, we were sceptical at first, and thought that the cheques were just 'TOO GOOD TO BE TRUE'. How could you earn such huge incomes with catalogues? We can't help but wonder, now 1 year into the business, what our lifestyle would be like if we had joined back then.

Our first cheque shows how we, not only made our initial investment back, but also made profit as well! After 12 months into the business we've matched Nigel's wage allowing him to take time out of teaching to spend with our boys. The boys are happier because they get to spend more quality time with Daddy. Time is precious, once it's gone, that's it, no second chances!

Why waste your time making someone else rich?
